**Re: In the Matter of the NorthMet Project Permit to Mine Application
OAH 60-2004-37824**

Dear Director Wilson:

In a March 12, 2024 letter to the parties, this Designee requested notification of any inaccuracies in the Official Record. There is one exhibit, Exhibit 351, that the parties have been unable to locate in the Official Record document transmitted by the Office of Administrative Hearings.

The administrative law judge received Exhibit 351 into the evidentiary record during the hearing. (OAH Transcripts, Transcript of 03-30-23 V4 HRG_FullSize, at pp. 131-33.)¹ Before submitting the March 11, 2024 flash drive of exhibits to this Designee, all parties reviewed Exhibit 351 and agreed that the copy of Exhibit 351 on the flash drive was a correct representation of the exhibit accepted into evidence at the hearing. The parties therefore request that you refer to Exhibit 351 as represented on the flash drive. *See* Minn. Stat. § 14.60, subd. 2; Minn. R. 1400.7400, subp. 1 (stating that the record shall contain all offered evidence).

Respectfully submitted,

Melissa Lorentz
